

CERTIFICATE

Assessment as per
Pressure Equipment Directive 2014/68/EU

This is to certify that

Classic Filters Limited
16 Sextant Park, Neptune Close,
Rochester, Kent, ME2 4LU

has successfully undergone an assessment in accordance with the requirements of Module H of the Pressure Equipment Directive 2014/68/EU covering the design, manufacture, inspection, testing and supply of filter housings manufactured from grade 316L stainless steel and rated as hazard category II or III.

Classic Filters Ltd is authorised to use the following markings on equipment as described above, subject to continued surveillance under Module H.

This certificate, which remains the property of TÜV UK Ltd, was issued in accordance with the TÜV UK Ltd auditing and certification procedures and its validity is subject to regular surveillance audits under Module H providing certificates are not withdrawn or expired.

Certificate No. No. **97/23/2002/011 Rev 6**

Valid until: **02 October 2020**

Initial certification: **05 September 2002**

Signed for and on behalf of TÜV UK Ltd,
London,

11th September 2017
